Hover Scout (4910)

4910 Hover Scout, is a Rock Raiders set released in July 1, 1999. It contains 39 pieces and has an MSRP of US \$3.00. It came packaged in a small box and features Jet. The hoverscout and Jet came packaged along with a small station, an assortment of tools and a small booklet. The hover scout is a small craft that uses "hover propulsion technology", causing it to float above the cavern floor. It is used for long-distance terrestrial reconnaissance, and can carry a single pilot at high speeds over debris and terrain that could not be quickly or safely traversed on foot.
